Enjoy Family Time Together Making Snacks

Chicken Salad Sushi

No special equipment or ingredients required to make these fun chicken salad sushi roll ups at home. Maybe trying to eat them with chop sticks will be fun too!!!

Simply press out a piece of soft white bread (or let the kids smash it with their hands) on a large Swiss chard leaf or lettuce, then top the bread with chicken salad, cucumber sticks and carrot sticks. Roll the "sushi" and slice into 1-inch pieces. These little sushi rolls are adorable for snack time, a picnic or packed in a lunchbox.
